

INNER WHEEL RALLY

IN SALO 2015

In the fall, 3-4 October 2015, Hotel Rikala will be filled with inspiring female energy. Our own Inner Wheel event will gather us again to spend a weekend together. In addition to spending time together, we will offer interesting female perspectives from different fields.

Salo is known for its stone foundation stores, and during the day you will also have the opportunity to stop by see what they have to offer. The evening event will take place in the gorgeous historical milieu of Wiurila manor. We will provide more information about the programs, the costs and the accommodation later.

On behalf of IW-sisters in Salo, we would like to offer you our warmest welcome!
