International Day of Peace

Dear IW Sisters worldwide

The International day of peace observed every year on 21st September, embodies our shared aspiration to end the needless suffering caused by conflicts. It's a day on which the United Nations call for a 24hr global ceasefire, IW also hopes & prays that one day of peace can lead to another & another & ultimately a peaceful world. May true peace be achieved by building bridges, combating discrimination and standing up for human rights of all. Let's join hands to reach out to needy to attain peace, prosperity & progress for all.

World peace day is envisioned to become a moment of global unity. It's up to each & every one of us to make it a reality.

When the love of power is overcome by the power of love-- the world will be a peaceful place to Live.
