

Elected Unopposed As **IIW President 2019/20**

Name: **Phyllis Charter**
Club: **Newent & District**
District: **10**
Country: **GB&I**
Approx. 14,600 members

I have been a member of Inner Wheel for over 30 years and have had the honour and privilege to serve our wonderful organisation at Club, District, Association and International levels. With my commitment and dedication for Inner Wheel, and as a member of the International Executive, I will strive to make Inner Wheel stronger through our membership – where every member is special.

As IIW Vice President I am working with Non Districted Clubs and I would love to see the number of these Clubs grow into new Districts, so that these members can benefit from the activities and motivation that can be gained from District support, friendship and activities.

To ensure that IW continues to grow and remain the largest service organisation in the world, we must shout from the rooftops about our achievements in our local communities, our home nations and internationally, so more women will be attracted to IW and help us to even more successes.

We must take advantage of all the modern technology, social media and communications that we have at our fingertips today and ensure people instantly see and hear what we do – as we do it. Let us stop being the best kept secret in the world and spread the news outside our own membership.

Today's World needs Inner Wheel more than ever.

Let us work together as a **TEAM** – Together Everyone Achieves More – and prove that Inner Wheel members can achieve dreams and improve the lives of others.
