

Inner Wheel Day Message

Fellow Inner Wheel Members

Happy Inner Wheel Day...This is a day we celebrate all over Inner Wheel world. Some of us use the day to carry out various charitable projects. We mark the day to remember the founding mothers of this biggest women organisation in the world. Some celebrate by wining and dining...Which every way we choose.....Enjoy every minute of the day.

Let us ensure that we Touch a Heart in every step of our endeavour in giving, helping, providing, for the less priviledged in our midst.

Share your project pictures with the International Inner Wheel Editor for upload on website.

Happy Inner Wheel Day my fellow Inner Wheel Members....

*Long Live Inner Wheel world over
Love you all*
