European Rally Rotterdam 2019

Desiderius Erasmus 1466-1536

Welcome Inner Wheel friends !

IW Nederland invites you to come to a young, multifaceted and dynamic city. The city with Europe's largest port and one of the biggest in the world: ROTTERDAM.

A metropolis where more than 170 nationalities form a lively, interesting and vibrant society. Experience and feel the real Rotterdam. It is a city that is open, booming, buzzing and never boring. It is a cosmopolitan city, where life is good: there are

festivals to experience, multicultural dishes to enjoy and many activities on and around the waters.

It is an architectural city: striking, iconic buildings from various famous architects adorn the city skyline and create a fascinating view, begging to be photographed.

Leading museums and art institutions, such as Boijmans van Beuningen, the Kunsthal or the Maritiem Museum, continue to attract the attention with high-profile exhibitions.

It was therefore not quite unexpectedly that Rotterdam has been chosen number five in the top 10 "Top Cities of the World" by Lonely Planet's Best Travel 2016 list.

We hope to welcome many of you on September 13, 14 and 15, 2019, here in Rotterdam. Join us to renew and strengthen our international friendship and to enhance the Inner Wheel bond.
